NOTICE REGARDING ELECTRONIC FILING

DATE:

TO:

The United States District Court for the District of Delaware recently adopted the new case management and electronic filing system developed by the Federal Judiciary known as CM/ECF. In accordance with the Court's Administrative Procedures Governing Filing and Service By Electronic Means, effective March 1, 2005, all documents submitted for filing in both new and pending civil and criminal cases, except those documents specifically exempted, are to be filed either electronically using CM/ECF or on a properly labeled 3.5" floppy or compact disk in PDF so that the document can be added to the electronic case file.

The records of the Clerk's Office do not reflect the issuance of a CM/ECF login and password in your name. Within the next 30 days, we kindly request that you attend one of the Court's CM/ECF training sessions in order to receive a login and password for electronic filing. A listing of the dates and times of the training classes is available on our web page at www.ded.uscourts.gov. Upon expiration of the 30 day period, the Clerk's Office will no longer be able to accept your filings in paper format. If you are unable to comply with this request, you may petition the Court for relief from electronic filing.
